

LIGHTS

The Church is Christ's body, in which he speaks and acts, by which he fills everything with His presence.

Ephesians 1:22, The Message

Your body has many parts –limbs, organs, cells-but no matter how many parts you can name, you're still one body. It is exactly the same with Christ. By means of his one Spirit, we all say goodbye to our partial and piecemeal parts. We used to independently call our own shots, but then we entered into a large and integrated life in which He has the final say for everything. 1 Corinthians 12:12, The Message

Think About it:

- What has been a positive church experience for you?
- What has been a negative church experience for you?

Talk About it:

- Lets play a word association game. I say "church" you say _____. Everyone should contribute at least one word to the list (the first you think of is best).
- What does your list tell us about how you understand or have experienced church?

- What does your list tell us about how you understand or have experienced church?

- What words do you think your friends at school or work might add to the list?
- Knowing what you do about Jesus, what do you think are the top THREE words he would most like to see on the list?

Reflect On it:

An Exercise: Alone or in a group describe the sort of Church you would like to be a part of.

- Where would it be? What would it look like?
- What THREE things would be the most important considerations in making plans and decisions?
- What would you want people to say about your church?

Are you or your youth group interested in creating your own short video: music , movie trailer, Monty Python-type parody, Dancing with the Stars, Who's got Talent? We know you've got it in you!
